

I want to tell you all, I am here in front of you Try to follow me And I will take you to everyone in My way I have told you several times, with Me you will not miss anything Here in this Tent I am more than a church I ask this Tent This is the Tent of My Patre I am Here, you hear Me and you see Me These great things are not there even in the biggest sanctuaries How many people are here That they see Me If you do not see Me there are not But see, you can not say that I have not been quiet Here you will receive from Me the greatest blessing And pass it on to all family members, friends and relatives And say: "The Lord has blessed all" I greet you or dear children look like a father waiting for his children Do what I ask you Love each other as I have loved you Always follow My way Here I I am always present If you come also at night I am present Now I leave you I salute See you soon.
