

I would like to tell you many things But I would like someone who is committed to this journey Because it takes someone to carry out My Will My scriptures must go to all the ends of the earth When you tell My scriptures, if you do not want to listen, say so: "You are far from the Lord" Those who say unjust things find them written in the Register of Heaven You can understand well what these things mean I am here among you, as one of you Those who see Me will never say that I am not the truth Do you be brave Because I bring you to the place where you must go And I wish you best for your great goodness Because here there is the greatest sanctuary If you read all My scriptures you know very well that I have put everything in writing who has taken the path of the Lord has read all My messages And has taught all that My people must know I wait for you continually And I bless you with My Hand on each of you And so you will bring home the greatest blessing of the Lord Pass it on to all your family and friends and relatives And say to them: "The Lord has sent the blessing for all "Now I leave you Come always See you soon.
