

I tell you that you must always be near Me Today I see you more numerous Be careful Because My messages also serve for the people who need Me Read My Messages When you read My messages you are before Me and I am before you you on My messages I put everything that My people need to know In the book you will find everything you will need For twenty years I have been waiting every Sunday and I say: "My children will come today" But I thank you so much every Sunday I am not Never been alone When we have a day of celebration with the Lord let it be known Because that day is a big party for Me This year we do important things The day you celebrate for Me there will be more people who see Me I tell you Let's go on We have to form a great company When you return home, tell them that the Lord awaits us. I want a great people before Me Every time you have come, I want to know if you have been happy. I have sent you so much joy and so much happiness. I bless you, passing with My Hand on each of you. I salute you. Come always See you soon.
