

I tell you or little people, do the impossible to come and find your Patre Because I am the Patre of all the children of the world You must always think of My scriptures If you need Me read My scriptures Because I feel you through the My scriptures You must think: I am Here among you As I told you, I wait for you like the father who awaits his children. Try to be more numerous. I, when I see one more, cannot imagine how much joy  
Now I greet you by passing over My hand with My Hand. Now I greet you soon.
