

Now I tell you dear children, who are here before you see? There is not even one person in this country who comes to see me. Then he says he respects the Lord. I've been here before you. Can you say I'm not the truth? There are always seven eight people who see Me I tell you Those who do not believe, because they feel superior It is for what He does not want to accept After you there will be others who will see Me I tell you: When you see My image and that of Mia Mother do everything to announce it to everyone Who will do this obedience I will do so that says: "Thank you or Lord" Because those who do not see Me I will feel My presence Today is the biggest party of the year Because those who had killed me He thought he was happy But he saw I said I am always in the midst of My people And I will never leave you alone Follow me, more than you can Because I am your happiness, and your strength This place, as I told you, I 'I have drawn for so long So, who tells you My words, it is because they hear Me And I told him if he wanted to do obedience to the Lord And so he did S Twenty years after this obedience Try to help her Because she repeats what I command You rest assured Because I am always among you Here there is always My image, and that of My Mother Try to take away My words And say them: "These scriptures are the Lord who command them And they are for all peoples" Be careful And tell everyone that the Lord awaits a great people I told you: Make pilgrimages And now I leave you And I give you my best wishes for a happy Easter I spend with My Hand on each of you I greet you See you soon.
