

I tell you dear children, that you must walk with the Lord I have written to you all things Re-read many times all my scriptures and explain to those who do not want to believe The Lord calls all the peoples of the earth He does not exclude even one Today I tell you: you are all So I tell you: make arrangements for Sunday to do the party with Me You have decided for after Sunday Good case if you all agree Allow me to know some friends and relatives Now let me tell you: Let's go on Now I tell you: We few are united more than ever I will do the impossible for My promises But there is some missing person But you see Those who see My pictures are the visionaries, like those of the great shrines Go ahead Why do you deceive the people, Impossible for these great things always believe in my words because you know who I am I have written it in all the messages now i will let you That is, dear children, with a great blessing Come Always soon.
