

I tell you or dear children, always stay close to Me I am your way When I said to the apostles: "I go away but you can not come with Me", Jesus said: I am your way The apostles said: "Then Lord along the way pray not to lose the way" Here you see, My way is the prayer I taught you I With that prayer You can follow me Today I saw little people, but to Me it's okay I'm Here continually even for one person Because everyone has to carry on his problems

I greet you or little people and I thank you for your presence on Sunday as you know there are the pilgrimage Let's go forward I am the One who carries on all the people I salute you See you soon.
