

I tell you or dear children, because I am I who carry on all things I am here before you, and you see Me You try to make the image that I present You With My images and My words you will never be mistaken Because as you know, I am here with the Person and with My Presence Always try to remember My words and also My Presence Those who succeed also make images and put it on My scriptures I want My scriptures and My Presence reaches all the ends of the earth Do you see? Those in the country did not want to believe. Do you see one? But I, to those people, I will show him the Great Truth. A person said: "He took away the patre and the matre" This person is not worthy to present himself before me. If he presents himself I will let him see the Great Truth. to allow the Lord to judge Because I am the father of all the children of the world Have you ever heard that patre is abusing its children? When a person says these things he has to think about it many times. Sooner or later they will always meet before the Lord. But when he asks for forgiveness, it's always too late. The Lord says, "I see you all. And I hear all your words. counting all the hair "Always try to reflect before saying unjust words to the Lord Because I will make those words weigh more than you think So before speaking, you have to think about it many times Now I'll tell you Let's go ahead Always read all the My scriptures, including the book As I told you, if you need Me, You can ask me also through the book Now I leave you I bless you with My Hand on each of you Come always See you soon.
