

All the things that I must tell you, are all written in My scriptures Tell me or little people Listen to me, I go forward And I want a great people near Me I always wait for you, as I told you, Here this little sanctuary is more than a great church But, sooner or later, according to the scriptures, here a great church will come You do not fear, because I am I who carry you forward This little tent and My words, also My Presence There are more people who see Me Fate to come My writings and My Presence farther than you can Because one day this place will become great My messages and the book has arrived at the Vatican Have you seen? Has any protest come? Because no one allows himself to pass on to the Lord Here I am, with My Presence and My images and also those of My Mother I am already a Great Shrine Manifest this Great Will Because I am here waiting for a great people It must become a Great Sanctuary I leave you or dear children with a joy in the Heart This journey and My scriptures have already passed twenty years I greet you or dear children Always bring with you a great people If you can also make pilgrimages It must also come young and children, to hear the word of the Lord Come always See you soon.
