

I say to you, dear people, that we owe the Father's Will Because the Father has never failed for anyone I too have to respect the Father You know well But be quiet Never did My Patre But let's go For all things it takes a great deal of respect Patre makes it clear that this respect is lacking in the people All people must reflect on these things If the people miss something My Patre know I have always said to be right with the neighbor and with the Patre There are a great people who do not think of these things If the people were looking at these things he could also understand why I gave all my selves to my people And I also wrote: "First I will take the most abandoned of all" Be quiet I will all to carry My People Today we have to think about these things Because there are I who will not miss a pez no bread to anyone I always do my promises No one can know the goodness of the Lord My Goodness spreads over the whole universe My Goodness Will not Make You Miss No One Now I greet you I will do the impossible for My people State Why My Promise Will Not Late And Pray Always For Your Needs I greet you with a great joy in the Heart Come Always At Soon.
