

I tell you or dear children, you must follow Me My path always lead you to Me You have to follow me dear people My path is for all peoples Here in this Tent there is the greatest Sanctuary that can exist, because I am present before you and no one can say that I am not the Truth Because there are many people who see Me always listen to My words And teach them to your family and friends and relatives And also tell them that the Lord expects a great people But I've been twenty years and I'm always these few people The others are all far from Me When they come to ask for help I will say to him: "Many years have passed and you never came And adhered that you need you remember Me?" I am there for that people who respect the Lord And for those who turn away from Me and turn away also the neighbor: that people will never meet Me, even if they go to the head of the world I am close to you And I am close to all the peoples of the earth Only that people will meet Me if they seek Me, and if they are righteous I want to say dear children My way is endless And there are for all Eternity Come always See you soon.
