

I want my people to follow me All the things I've written did not even have a small part wanted to hear I did everything because my people followed me Have you seen how many have come to you? I will behave according to what I receive This little people who have been following me for so many years Yet never said anyone who is tired Because for the Lord and for the neighbor you can do this and other States close to Me more than you can And everything you will be rewarded Me Me so pleased Your presence for Me is a great thing I will bring you with Me to the last of My Eternity, including all your family I bless you with My Most Holy Heart Pass My Blessing to all your Families And tell them: "The Lord has blessed you too" Thank you dear children I am Here from all these years The people should come continuously And instead ... do you see dear children? Make me brave I'll do the impossible Now I greet you Always come soon.
