

Every time you came I wait for you My way is endless You also bring your children if you can Because your children must also listen to the words of the Lord I have always said, this tent is more than a church Because I said: I want a tent like that of My Father when he brought the chosen people to the promised lands But I am the Father and I am the Son The Patre and the Son is one God I want to take you with Me until the last of My Eternity For Me, as I have always told you, you are like the apostles The apostles still follows Me today So you are forever: My true apostles I want Here, as I told you, a multitude of people Tell the Lord want a multitude of people Make this great news known, far and wide Here it must become a very big thing And say it to me: "The Lord said: If there are any people who need or of Me bring her Here, I will do the impossible "I want to bless you with My Most Holy Heart Come always See you soon.
