

Dear children, you must follow me, because I bring you into My Great Kingdom, as I have always promised you Tomorrow try to say all My words For those who do not want to believe I will make them believe Me When he gets what he deserves they will have to say: "This is the pay I deserved" I want My people to believe me all, even if they do not see Me Here I have done a very great thing, all My images and My words Everyone that you have followed for a long time you can say that are they the truth? The people ask, but they can not make a little sacrifice Then they complain I am two thousand years that I make sacrifices for all the people And I gave Myself too They are the people who want from Me But I said: "I pay with the same coin that I receive "This all peoples should understand it But instead the people can not give a little time As I told you I gave everything Myself Try to understand Me Those who do not believe in the Lord make their way alone And they will not meet Me never Try to follow My scriptures I in My scriptures I have spoken for all peoples, also of every race and of every color And it says that it has not time for the Lord But for all the rest the time they have it in abundance Dear children , always observe My words I speak to you with tears in my eyes Reflect on all the things that happen As I have told you other times, when I can not do it anymore, I say to that people: "Expect everything" I greet you little people With you I am very happy Those who came to ask me do not know that they presented themselves before the Lord But they get the right pay Now I greet you dear children Come always See you soon.
