

I tell you or dear children, do not think of anything, because I will make all my promises You do not see, but I will always do all that I have promised The people must be content with My Word and My images Because those who see says the Great Truth Always follow this Great Truth Because the image that is made of you is better than what a painter does. Because you have seen the image with your eyes And they are perfect too. Do not complain if they are not perfect. your images are perfect Make so that great people come Here Because I will make them believe What you see Here there are not even in the biggest shrines Here you see My image and you hear My Word Do not worry Because I am the Son of God and of Mary, Jesus the Crucifix The person who hears me has not added a single word. They are all My words And you make sure that they believe Me all Even if they respond badly you say to him: "You are the one who is far from the Lord" And those people will never meet Me Also says: "I go to that great shrine" They will only meet me if they believe My words and read My scriptures I repeated it many times for those people who do not know what it says It 's for what they will never meet Me betrays you alone Come on baby with Me you have climbed the biggest mountain in the world Wait also the others over that mountain Because I want all peoples to follow Me Tell them to the people: "Come all" Because I wait for a great people with Me Be happy with the Lord Because I with you I receive so much joy and so much happiness And I I will send the same thing to you.
