

Dear children, I want to tell you what it has come to do My people. That people who do these things will always receive My power. Dear children, I bless you with My Most Holy Heart. Because your goodness make the mountains move And to those unjust I will send a great weight, like a mountain But do not think about anything From all these years that you follow Me you never complained Dear friends Thank you so much And I'll do the impossible for everyone Today is a bit 'cold But I'm a beautiful day And I tell you, do what you can Because I will always make My promises My promises, when I will do them, no one can see them But there are people who say: "the Lord has helped me" and also to My Mother "Why who he talks to you for a long time he was following Our Lady But I will let everyone know the Great Presence Follow him Even with the suffering Because I suffer too much, to bring forth my people I greet you with great joy in the heart and hand with My Hand over each one of you and I wish you good Christmas party for all the people I greet you always come soon.
