

You must tell me or dear children if you want to do what I command you I have seen people who move away from Me But I said: If you turn away from Me your path does not continue I tell you or dear children: Follow me always My way is endless Here, as I have told you several times, there is the greatest Sanctuary that can exist Because you see Me and hear My Word Do not worry I chose this Place as if it were the Hut of My Patre I am Here, as I have always told you When you come I say: "Behold, come My children" Take home My Word and My blessing I am the Patre and I am the Son The Patre and the Son is one God This Tent is more than a church Represents Tent of My Patre I want you Here more numerous than you can You widen My Will Because I wait for you always Take courage Where there are Me and My Mother do not miss anything Now I leave you And I greet you with the wish of Merry Christmas See you soon.
