

Listen to me or dear people Your faith I will reward you to the great This Tent for Me is more than a great church Because I was the one to command it I said: Do here a tent like that of My Father when he brought the chosen people to the promised land But I have said many times: I want My Church here to manifest far and wide: "The Lord wants His Church here" The other nations can contribute, because they are all children of God, I have told you several times, send far this My Will Here there are Me and Mia Matre among you If you come also at night I am present Those who want to come and visit me can come at all hours For Me this Tent as I told you, I am the greatest Church that can to exist Because here You see Me and hear Me I say to you: do the impossible for My will Today I write you My Great Will. Be quiet or dear people , because I am always present, Me and Mia Matre There are also people who see Me Those who see Me, as I told you, manifest what you have seen I always wait for you Do the impossible to come and visit me
Now I leave you with great joy in the Heart Come always See you soon.
